

MICHAEL RUPINSKI

In the Workplace

Michael currently acts as Vice President of Keeley Companies. He thrives when he is able to build and empower high performance teams, providing vision and leadership for risk management across the Keeley Family of companies. He has been with Keeley Companies for over 25 years.

At Home

When not serving on our Board, Michael enjoys sailing, working on home improvement projects, golfing, and reading. He is proud of his two daughters, who are both nationally ranked equestrians, showing in the hunter divisions.

With CHMO

Michael serves on the Capital Committee and looks forward to helping CHMO expand the organizational footprint. He is drawn to the mission, and believes that giving youth an opportunity for education, career development, and life skills coaching is crucial.
